## Tall Trees

With their feet in the earth  
And their heads in the sky  
The tall trees watch the clouds go by.

When the dusk sends quickly  
The birds to rest,   
The tall trees shelter them  
Safe in a nest. 

And then in the night   
The tall trees peeping,  
The moon shines down   
On a world that's sleeping.

# A Little Seed

A little seed for me to sow

A little soil to make it grow

A little hole, a little pat,

A little wish, and that is that,

A little sun, a little shower.

A little while -

And then, a flower!
